

## PORCELAIN RENTAL

Chalmers Conference & Restaurants offers porcelain for rent. The pick up of the porcelain is situated from one of our restaurants in the student union building at Johanneberg based on pick-up day and time.

We need your order of porcelain 5 working days before the confirmed delivery date.

We reserve ourselves for a maximum number of porcelain but will confirm the possible amount with confirmation and costs by e-mail.

After the use of porcelain and cutleries everything must be put back and organised the way it was received but not necessarily clean. We do the dishwashing of everything.

The cost of the rent is for one event and can be returned on a date according to agreed dialogue and confirmation.

Broken or missing pieces of the delivery and order will be invoiced according to our purchase price.

Our companys restaurant Wijkanders also offer porcelain for rent ([bokning@wijkanders.se](mailto:bokning@wijkanders.se))
