

PLACES FOR SUSTAINABLE **MEETINGS**

SITTINGS MENU

STUDENT CATERING

Student catering is a service for Chalmers students and can be ordered for Chalmers related events, not for private parties or events.

Student catering can only be ordered with complete invoice details for Chalmers associations and the committees and student sections (it is not possible to pay directly with student union card).

Compose your own entrée and complete your order with fixings and/or dessert!

You may choose one option under each heading.

The food is picked up during our opening hours at J.A Pripps Pub & Café.

The food is picked up cold in single-use containers.

Please consider freezer/cooler-storage in between the pickup and when serving.
